Terms and Conditions: This offer is valid for orders placed on or before December 31st, 2018. Receive up to 20% off on your current costs on N21-MAX Media Supplement, N-2 Media Supplements, Methylcellulose Media, Cultrex Basement Membrane Products, ProDots® Proteins, Verification kits for QC, and antibodies for QC. Discount on Fetal Bovine Serum (FBS) will be negotiable on usage and is not part of this 20% off promotion. Discount excludes existing customers of the products listed above. Discount excludes bulk quantities and special orders. Additional exclusions may apply. Offer cannot be used in conjunction with any other offers or discounts, for past purchases, or orders pending. No credits will be issued. A quote must be obtained from your sales representative. The quote may then be used to place your order directly with R&D Systems, but the offer is not valid on orders placed through Fisher or our extended distributor network. All requests are subject to availability and approval by R&D Systems. Offer void where prohibited.

*Discount on FBS will be negotiable on usage and is not part of this 20% off promotion.
