

# Single-cell epigenomics: Gene regulation at unprecedented resolution

**Jason Buenrostro, PhD**

Assistant Professor, Department of Stem Cell and Regenerative Biology

Developmental &  
Regenerative  
Biology Program

**Faculty/Student  
Seminar Series**

**Monday, Sept 14<sup>th</sup>, 4-5pm  
Virtual Seminar on Zoom**

*In vitro* characterization of the human segmentation clock

**Margarete Diaz Cuadros**

BBS G6

Laboratory of Dr. Olivier Pourquie
