5th ANNIVERSARY **HOURS** OF STEMCELLS

The day the world revolves around stem cells

Stay on the leading edge of stem cell research

Join us around the world for the 5th annual Gibco[™] 24 Hours of Stem Cells[™] virtual event, to:

- Access leading scientific presentations from thought leaders around the world
- Sharpen your stem cell skills and expertise with virtual training and certifications
- Get free career advice, like how to optimize your LinkedIn profile and the power of an elevator pitch
- Expand your research network and enrich your perspective in a global context

Experience all of this virtually, from the comfort of anywhere. It's all happening live on **November 9, 2017**.

Attend live and receive a free Gibco[™] StemFlex[™] Medium fidget spinner* as a token of our appreciation.
