August 19-21, 2015
Hyatt Regency
San Francisco Airport

2015 Rejuvenation Biotechnology Conference CALL FOR POSTER ABSTRACTS

SENS Research Foundation invites you to submit an abstract for poster presentation at the 2015 Rejuvenation Biotechnology Conference.

RB2015 research topics will include:

- **Alzheimer's Disease, Cancer, Cardiovascular Disease and other Age-Related Diseases**
- **Stem Cell & Tissue Engineering Research**
- **Economics of Healthcare**
- **New Investment Paradigms in Regenerative Medicine**
- **Regulatory Issues in Regenerative Medicine**

Submission directions and the online submission form itself can be found at: www.sens.org/RB2015/poster

The deadline for submission is June 1

The presenting author of abstracts that have been accepted for the poster session will be notified by July 1.

Student and postdoctoral fellow presenters can apply for a travel subsidy at: www.sens.org/rb2015/poster
