A Vanguard in Pluripotent Stem Cell Research and Therapy - StemScale PSC Medium

Thursday, April 29, 2021

Institution: Harvard University

Location: Please register for WebEx details or use this link(<https://thermofisher.webex.com/thermofisher/onstage/g.php?MTID=e3b8668fdb08da36b4a69ca0e988ad715>) to call in

Time: 11:45 a.m. - 1:15 p.m.

11:45 a.m. -12:00 p.m. - Introductions

12:00 p.m - 12:30 p.m. - StemScale PSC Medium introduction

12:30 p.m. - 12:45 p.m. - StemScale testimonials

12:45 p.m. - 1:15 p.m. - Panelist Q&A

Join us to discuss our newest PSC innovation; StemScale Suspension Medium.

A method of PSC culture that we utilize that alters PSC expansion to become faster, easier, more valuable and less tedious than adherent culture or any other embryoid body suspension culture. In partnership, we are pleased to host our StemScale Medium discussion with Dr. Laurence Daheron, Head of Harvard Stem Cell Institute iPS Core. Space is limited, register today. Lunch codes only provided to registrants.
